## Report of Principal and School Improvement Council

Northside Elementary School of the Arts is a Title I Arts integration School of Choice that serves 512 students in grades K-5th with 60 staff members. The goal of our school is to educate all students in and through the arts by developing their knowledge of problem-solving skills to enhance the quality of their lives and life in the community. During the 2012-2013 school year we were the proud recipients of the Palmetto Silver Award for General Academic Achievement and the Palmetto Gold Award for Closing the Achievement Gap. Our community business partners include: Northside Baptist Church, E S & Y Auto Repair, Arts Council of York County, Blumenthal Performing Arts Center of Charlotte, Bethel United Methodist Church, Rogers Memorial ARP Church, Chick-Fil-A, HealthSource, Target, Family Trust Credit Union, Papa John's, Nishie G's, and Sonny's.

As a Red Carpet School and School of Promise, we continue to provide a positive relationship with home and community. All students participated in service learning projects such as holiday boxes for children around the world, Kick-it-for Cancer raising over \$3600 to help find a cure for childhood cancers, and over \$600 for Junior Achievement. Junior Achievement classes were provided for first through fifth grades. Mentors were provided to students as needed. In addition, we also participated in the SC and National Walk to School Days and provided a healthy breakfast to all students as well as assisted with an environmental awareness campaign through supporting the schools Help Us Go Green (or HUGG) Club.

The SIC and PTO collaborated throughout the year to strengthen School of Choice options for the 2012-2013 school year and the upcoming school year of 2013-2014. Registration, tours, applications, an arts integration night, and parent meetings were held for prospective parents. A Welcome Day was sponsored to invite new School of Choice parents and students to tour the school and observe in classrooms. SIC developed a plan for and built an outdoor performance space to be used by students in grades kindergarten through fifth.

Continuing as an Arts in Basic Curriculum site, we received a Distinguished Arts Program Grant and Arts in Basic Curriculum Grant for another year. All grades had an artist in residence and performed in an arts integrated standard-based program. Faculty and staff participated in vocabulary, technology, and special education professional development. After-school strings and guitar lessons were provided to 4th and 5th grade students. Arts integrated units were written and students participated in standards-based Arts Explorers 5 week sessions four times during the year. Students performed in the community throughout the year. Design qualities were incorporated into lessons. Daily academic intervention occurred. Students received instruction in Tiers 2 and 3 in literacy and math. The district Title 1 parent educators worked with parents and children in literacy, math, fitness, and summer learning workshops.

Our focus this year will be building our professional learning community, arts integration, focus on best practices in literacy, math, science, and social studies, and technology incorporation into all instructional areas. SIC Chair, Lee Ayers Cassidy Valerino, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
